## DETAILED ACTION

### *Allowable Subject Matter*

Claims 1-11 are allowed.

The following is an examiner's statement of reasons for allowance: prior art does not teach nor render obvious a microwave filter that has, in combination with other limitations, means coupled to the at least two dielectric resonators for resonating with the at least two dielectric resonators and for attenuating an undesired frequency of signals transmitted by the transmission microstrip, the means comprising at least one lateral microstrip extending over its entire length only transversely to the transmission microstrip; neither does it have plural lateral microstrips form a series of U-shapes, two successive U-shapes having a common branch; nor does it have the radiating elements and the filter in a common chassis or housing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
